

FIRST ANNOUNCEMENT AND CALL FOR PAPERS

HPPW 2008

Hungarian Plasma Physics and Fusion Technology Workshop

March 26 – 28, 2008

Győr, Hungary

General Information

The aim of the biannual Hungarian Plasma Physics and Fusion Technology Workshop series is to provide a scientific forum to all plasma physics and fusion technology activities in Hungary, and collaborating international partners. Language of the conference is English.

Topics of the conference include:

- Plasma physics issues of magnetic confinement fusion
- Diagnostics in fusion plasma devices
- Technology and engineering issues of fusion reactors
- Basic plasma physics and laboratory plasmas
- Astrophysics and alternative fusion concepts

The conference will be placed at the Széchenyi István University (SZE), Győr. Exact location will be communicated later.

The **opening** of the conference is at **14:00 March 26**, and the **closing** is at **14:00 March 28**, 2008.

Organizing Committee

Dr. Gábor Pór (BME NTI)

Miklós Berta (SZE)

Gergő Pokol (BME NTI)

Address for Correspondence

Communication through electronic channels is preferred:

E-mail: hppw2008@reak.bme.hu

Homepage: <http://kvar.k.sze.hu/~hppw2008>

Postal address: HPPW 2008 (Berta Miklós), Széchenyi István Egyetem, Egyetem tér 1., H-9026 Győr, Hungary

Important Dates

Preliminary registration	January 10, 2008
Application for support	January 10, 2008
Submission of abstracts	January 17, 2008
Information from Organizing Committee	February 15, 2008
Room booking at reduced price	February 25, 2008
Submission of the paper (optional)	March 26, 2008

Registration and Submission of Abstracts

If you intend to participate, please send an e-mail to the hppw2008@reak.bme.hu e-mail address not later than **January 10, 2008** containing your

- **full name**,
- **affiliation** and
- **e-mail address!**

After having received a confirmation of your registration, you can submit your abstract until **January 17, 2008**. Please, mark the preferred form of your presentation (oral or poster). Decision of the Organizing Committee regarding your contribution can be expected before **February 15, 2008**. (Post-deadline contributions may also be considered.)

During the conference, you will be contacted for your permission to make your presentation files available to the participants on the Internet. You are also encouraged to contribute a paper version of your presentation in either English or Hungarian language, which will be published Magyar Fúziós Füzetek publication series.

Conference costs

There is no conference fee. Participants will only be charged for the accommodation costs.

Accommodation

Accommodation is at the participant's own cost, but rooms are available for participants at reduced price in a hotel near the location of the conference:

single rooms	are available for	7900 Ft/night
double rooms	are available for	10500 Ft/night.
Breakfast	at the Hotel costs	900 Ft/person extra.

Booking is made by the Organizers. Requests should be sent to the e-mail address hppw2008@reak.bme.hu. Changes in the booking are possible until **February 25, 2008**. More information will be published on the conference homepage <http://kvark.sze.hu/~hppw2008> as soon as available.

Social programme

Conference dinner is planned for the evening of the first conference day, March 26, 2008, and it is free for all participants.

An optional wine tasting is planned for March 27, 2008 at the participants' own cost.

Application for support

A limited number of participants may be supported by covering some of their conference-related expenses. Support should be applied for in e-mail not later than **January 10, 2008**. Application should include a cost estimate including accommodation, travel and other well-defined expenses.

Decision of the Organizing Committee will be communicated as soon as possible, but not later than **February 15, 2008**.
